Re: Impeachable Offenses of U.S. District Court Judge Helen "Ginger" Berrigan

Dear Judge Stewart:

I am enclosing to all members of the Judicial Council of the Fifth Circuit Court of Appeals, a copy of my *Petition for Writ of Mandamus*, which has been submitted to the U. S. Supreme Court for consideration. The writ asks the High Court to direct the Judicial Council of the Fifth Circuit, or preferably an equivalent alternative body, to open an investigation into the potentially impeachable offenses committed by the Hon. Helen "Ginger" Berrigan, U.S. District Judge for the Eastern District of Louisiana, in connection with her adjudication of cases from 1995 to 2001, in which the Administrators of the Tulane Educational Fund was Defendant and I was Plaintiff.

Respectfully yours,

Carl Bernofsky
